HR	22	INR 85,776.05	14.7%
Marketing	28	INR 85,683.89	18.7%
IT	33	INR 81,436.76	22.0%

Finance has the highest average pay at INR 99,604.80, while IT has the lowest at INR 81,436.76.

Table total: 150 employees.

Analyst Notes

- Review pay differences alongside job responsibilities and seniority before making compensation decisions.
- Compare salaries within comparable roles; department averages alone do not establish pay fairness.
